Tori has been with Bitebank Media since July 2014 in the Jr. Web/Graphic Designer role. I can completely trust Tori to take the lead on a project and ensure the highest standards of service and design are adhered to in each project assigned.

She constantly impresses upper management in her timely project returns and attention to detail. Tori, has the ability to be a great leader and I hope to have her take on more responsibility in that role and be the primary contact for VIP customers.

She has shown exceptional potential in corporate branding and concept design. Her work has grown our corporate branding sales and which has resulted in our design department to offer more custom services to our customer base and help grow the company.

She would be an amazing addition to your team. I would be happy to help answer any questions you may have in regards to her qualifications.

Yours sincerely,  
Julia Lamb
